

Rock to Rock in 2021 will use each organization's GiveGreater Fundraising pages to have Riders/Fundraisers set up their own fundraising page to collect donations.

Below are some tips on how that will work. Find your organization GiveGreater home page by searching at: givegreater.cfgnh.org

The screenshot shows the GiveGreater fundraising page for the New Haven Leon Sister City Project. At the top, there is a navigation bar with a 'DONATE' button and a 'FUNDRAISE' button. Below this, the project name and description are displayed, along with social media icons. The main content area features three donation options: \$25, \$50, and \$100, each with a brief description of what the amount supports. A 'CHOOSE YOUR OWN AMOUNT' button is located below these options. At the bottom, there is a navigation menu with tabs for Summary, Overview, Programs, Management, Governance, Financials, and More Details. A video player and a contact information section are also visible.

Riders/Fundraisers click Fundraise button to register as a fundraiser.

The screenshot shows the registration form for starting fundraising. The form is titled 'Start Fundraising For New Haven Leon Sister City Project'. It includes fields for 'First and Last Name', 'Email', and 'Password'. The 'Email' field contains the text 'cschweitzer3@gmail.co'. The 'Password' field is masked with asterisks. Below the password field, there is a note: 'New passwords must be 8 characters and include a letter, a number and a special character (e.g. !,?, or \$)'. There is a link for 'Forgot your Password?'. At the bottom of the form, there are two buttons: 'CANCEL' and 'SUBMIT'. The background of the form is a blurred version of the fundraising page shown in the previous image.

After registering with your email and new password, click Manage Fundraiser (see below)
