Safety tips!

1. Properly worn **helmets** are required during the entire ride! (enforced by police and staff)
2. Before the ride, check your **Air, Brakes, Chain, Cranks and Cassette.**
3. Pay attention to the **ride guides!** They are here for your safety.
4. **Respect all traffic rules.** Stop for stop signs and red lights. Do not pass in an intersection.
5. **Be predictable.** Don't brake suddenly, crowd others, or cut anyone off. Let others know your clear intentions, e.g. "Passing on your left." **Signal** for turns, call out stops, and point and call when you see potholes/glass.
6. **Look** before you make a move.
7. Be ready to dodge **potholes, glass, road kill, dropped water bottles, dogs,** etc.
8. Ride **no more than 2 abreast.** Keep a safe distance from riders ahead. **Leave a gap** for others to pass safely.
9. Move completely **off the road** when stopping & regrouping.
10. Drink before you are thirsty. Eat before you are hungry. **If you don't feel well, tell someone.**
11. If you have a negative interaction with a driver, let it go! **Be courteous to all.**
12. Stay in your individual comfort zone; do not exceed your limits. Ride at your own pace.
13. Do not wear headphones.
14. Keep track of your possessions.
15. Have the best time possible!
